FEDERAL COMMUNICATIONS COMMISSION
OFFICE OF THE SECRETARY

Leedey, Oklahoma is an incorporated community of over 500 people. Petitioner respectfully submits that the public interest would be served by allocating Channel 288A to Leedey, Oklahoma, as that community's first aural broadcast transmission service. Leedey has its own mayor, Warren Patton, its own post office, its own fire department, its own school district, its own city hall and a number of local churches. The proposed channel 288A will provide additional diversity and an outlet for local self-expression to Leedey residents and therefore is in the public interest.

Attached hereto is a channel study confirming that Channel 288A can be allocated to Leedey, Oklahoma consistent with the FCC's FM separation rules. See revision of FM Assignment Policies and Procedures, 90 FCC 2d 88 (1992).

Reference coordinates are:

35 45 08 N
99 13 44 W

Petitioner hereby states that if the commission grants this petition, he will apply for the channel when it is allotted, and, if his application is granted, he will promptly build the station.

WHEREFORE, for the foregoing reasons, Petitioner respectfully requests the commission to grant this petition and to allot channel 288A to Leedey, Oklahoma.

The information provided in this Petition for Rule Making is correct and true to the best of my knowledge.

Respectfully submitted,

By:
